

EASTER... IT IS THE ABSOLUTE VICTORY.

**The victory of love over hate, the
victory of light over darkness, the
victory of life over death.**

**Easter, it is Man's hope, his only
salvation. It is proof of the infinite
love and omnipotence of our
Heavenly Father.**

It is the ultimate gift of Christ. His life, offered by grace, to save us and to offer us eternal life, and to restore our position as beloved children of God.

Easter, it is the empty Cross, the risen Jesus, alive for ever, and the gates of Heaven wide open to all who, by faith, pass through them.

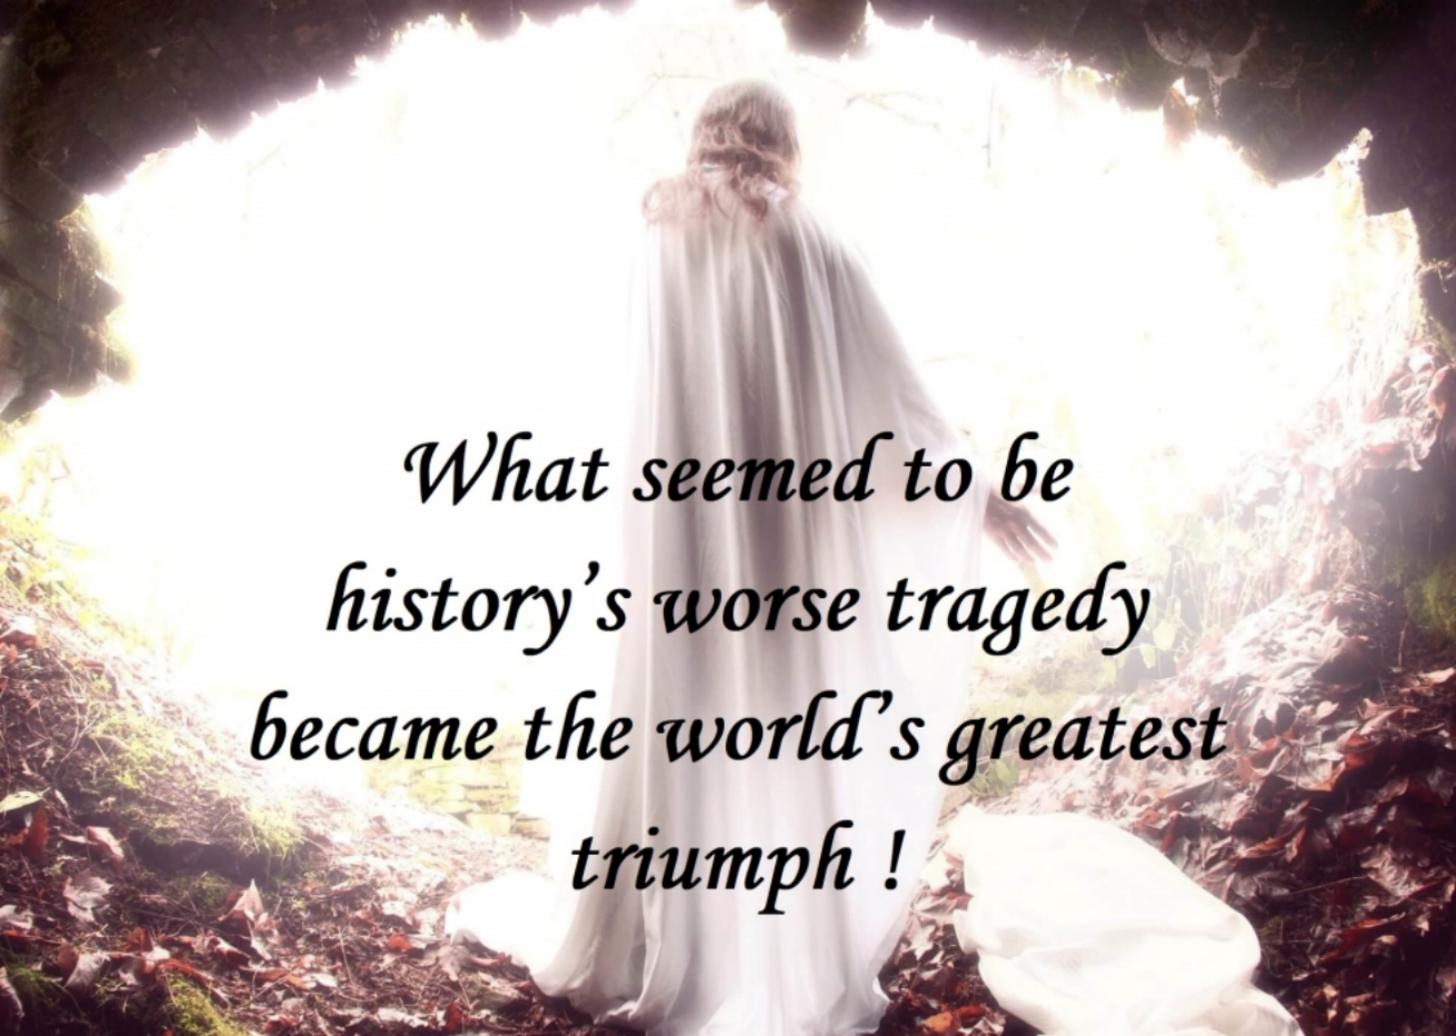

It's God's love manifested to the world, unconditionally.

Easter, it is also a promise made to every human being who decides to believe it. The promise of being accepted and loved for eternity.

Easter, it is God coming to us, arms wide open, ready to embrace us.

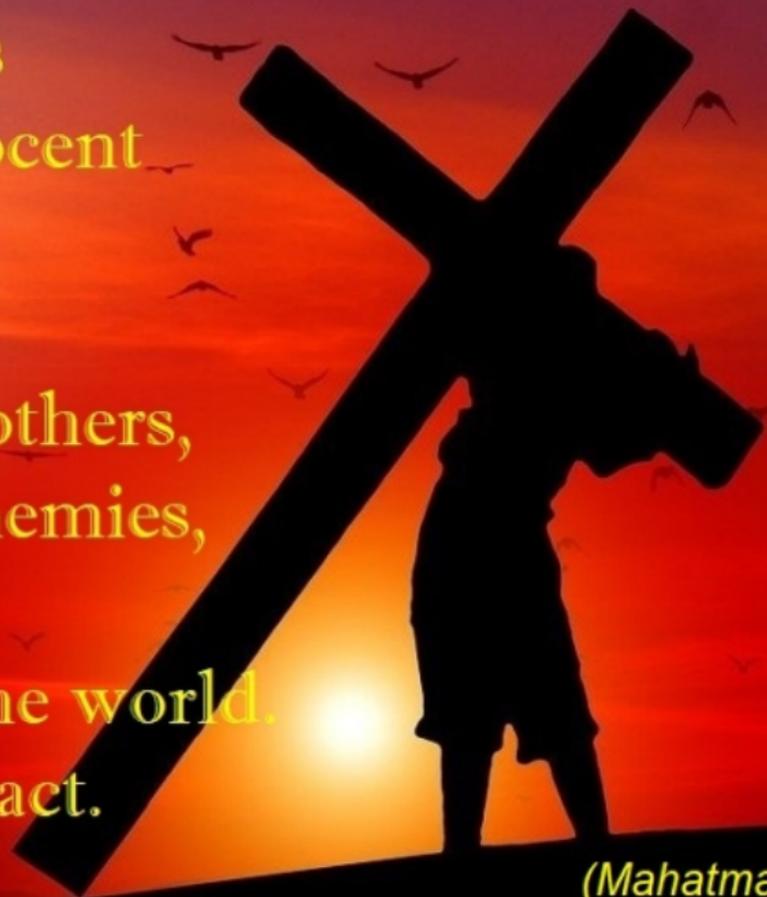

And since that time, He has been patiently waiting for His children to come home, to welcome Him into their hearts and become His family, His friends, His intimates once again.

Easter, it's the most beautiful day in the history of mankind and, if you sincerely desire it, it can be the most beautiful day of your history also.

A person with long hair, seen from behind, wearing a long white robe stands at the entrance of a dark cave. The cave opening is framed by dark, jagged rock. Outside, a bright, sunlit path leads away from the cave, flanked by trees and foliage. The ground is covered in fallen leaves. The overall scene is dramatic and symbolic, representing a journey from darkness to light.

*What seemed to be
history's worse tragedy
became the world's greatest
triumph !*

A man who was
completely innocent
offered Himself
as a sacrifice
for the good of others,
including his enemies,
and became
the ransom of the world.
It was a perfect act.

(Mahatma Gandhi 1869-1948)

EASTER

The victory of love over hate
The victory of light over darkness
The victory of life over death

**God so loved us
that He came in human form
to die for us,
take our sins and give us
salvation.
He died for Christians,
for Muslims,
for atheists, for agnostics,
for everybody !
He does not discriminate,
He gives you His invitation :
« Come on home, come on home,
to God who loves you so much
that He did not just talk about it,
He demonstrated it
in the person of Jesus. »**
